I need help!!!!

My english teacher assigned a research paper on an extrinsic analysis of several works by an influential American author. I now need help finding sources and info on The Knight and The Last Thrilling Wonder Story. Anything is appreciated.

I am unaware of any published analysis of The Knight at the moment. I believe Peter Wright does discuss The Last Thrilling Wonder Story in one of his books, probably Attending Daedelus, but you may find that book difficult to get hold of.
