Greetings:

I sure wish somebody would reprint it. Amazon.com lists a copy (one copy) for \$250. ABEBooks.com has one copy for \$225 and another for \$495.00!!!

Makes me wish I had been interested in Wolfe a few years ago and that book was around.

According to siriusfiction.com, it will be reprinted sometime in the next year or two. In the meanwhile, unbound copies are available directly from them.
