Hi, everyone --

Just wanted to mention as a courtesy that a homemade music video inspired by Gene Wolfe's "Book of the New Sun" trilogy has been posted to YouTube.

You can find Per Malm's "Terminus Est" music video (to the song by Julia Ecklar) at:

It can also be freely downloaded in RealMedia format from the Divine Intervention album page at:

Eh. Not bad, not great. For an amateur piece (that's what it says), pretty good, actually, though the imagery doesn't work for me.

I love the song. My favorite bit in the video comes when you see Severian's feet descending stairs and they fade into Thecla's, always with him, always tracing his footsteps.

Thanks, Eli!
