Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

But BotNS is pulpy! It's just that it's really, really well written pulp.

The best BotNS cover is still the old British cover for The Shadow of the Torturer by Bruce Pennington:
