I was snowboarding in Austria recently when this board in a display outside a shop caught my eye:

http://www.snowboard-shop.cz/info_delphic_stuf.php

Back and front view on page 7 here:

It's an exact (?) facsimile of the Bruce Pennington cover to The Shadow Of The Torturer. Perhaps Sev could've used one to scoot down the side of the mountain statue of Typhon.

The mountains in the background aren't the same as in the original (they look like they're taken from some other Pennington picture though).

Cool stuff. Makes me wish that I could snowboard. :)
