Irene Gallo has posted an image of the Pirate Freedom cover and some internal illustrations on her blog:

I am so very happy that Tor has got David Grove illustrating Wolfe's books. I really like Grove's covers and the internal illustrations are also really nifty. I think he's a great fit for Wolfe and hope they will have many more years and many more books together.

(Can't say I like the font on Pirate Freeom. But it's not that bad.)
