There may be some problem with posting. This is my second try.

OT, so I'll be brief.

Sorry about the name, Dan'l.

It's "pedal-depressed panchromatic resonace
and other highly ambient domains".

Zappa on religion (from Dumb all Over):

"And the book says he made us all to be just like him.
So if we're dumb, then God is dumb,
And maybe even a little ugly on the side."

I don't think the nuns I had in grammar school,
or Mr. Wolfe himself, would agree with those sentiments.
