A very happy Independence Day.

Remember, firecrackers and beer don't mix.

Soon, where Toon Town once stood will be a string of gas stations, inexpensive motels, restaurants that serve rapidly prepared food. Tire salons, automobile dealerships and wonderful, wonderful billboards reaching as far as the eye can see. My God, it'll be beautiful.

Remember, firecrackers and beer don't mix.

It makes them soggy and difficult to light.

Seriously though, happy Independence day to you all.

So, light them with your. . . er. . . cigarette.

Here's to freedom and independent thought.

Don

"Remember, firecrackers and beer don't mix."

That's true. Better to soak brauts in the beer than firecrackers. Firecrackers won't light after being soaked in beer.
