Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

I e-mailed the person in charge of the Wolfe chat (Patrizia DuLucchio at pdil at pathfinder.com), and asked about a transcript, and she told me it would be posted early next week at <http://www.people.com/interactive/chat.html>
