Thanks to Tony Ellis, I am able to append it here. The post is, indeed, in the lost year of archives.

Tony, if you have even a fraction of the messages from the Dark Age, I would very much like to get them on the archive site in some form.

The last message before the gap is travellingruss at manx.net: Thu, 11 Sep 2003

The first message after is thewynns at earthlink.net: Tue 14 Sep 2004

Tony Ellis was able to provide at least some of the lost messages, but I haven't gotten a chance to assess the material yet.

I think I have all mails since February 2004 saved. Would any of those be of interest?
