

Memorare Shipping

The Urth list — 1 messages, 1 voices, 23 Jun 2008

Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

That hard bound signed copy of Memorare looks like it's finally shipping this week.
