In the case of Agilus what, or for what, is the black ribbon that can be seen even after he has taken off his mask? I believe this has been discussed before, but I failed to locate it in the archives so pardon the repetition.

Xury,

This was discussed in the Urth Mail Archives Volume 2. The summary link text of the first message in the discussion was:

(urth) Agilus' mask Ranjit Bhatnagar <ranjit at best.com> Tue, 1 Jul 1997 13:23:35

No complete consensus was reached on what the "ribbon episode" meant.
