Just got my hardcover of Wolfe's *Memorare* (Wyrms Publishing). Thanks to whomever on the list noted that it was coming out! The cover art is great (a poster for the movie) and connects to the story on several levels. Getting my copy reminded me that there are still a few days left to vote for a Hugo award for *Memorare* (you can join World Science Fiction Society and vote on the Hugo awards through www.denvention3.org). Wolfe has never won a Hugo. I think it is overdue.
