Regarding _Acturus_ (I am a fan I guess), I think a link is what I think of as the medieval Christian viewpoint that suffering and death in this world are transitory -- so it's not so dreadful that much of Urth's population was drowned at the end of UotNS, or indeed that criminals must be tortured then executed in payment for their acts.

I doubt it is a direct influence, but _Tirant Lo Blanc_ has resonances with BotNS to me (a long time since I read the former unfortunately, so I can't be more specific).
