I gather that there's a new SCiFi action/adventure/horror/nonsense film coming out in the UK soon called "The Mutant Chronicles". I see from the preview sites that one of the characters, who is described as "sword wielding", is called Severian.

Anyone seen this movie yet? Are there any other nods to TBotNS or is it just the name of the character?

I don't know whether it's a good thing or not, but Wolfe's influence seems finally to be penetrating the popular culture!
