Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

My weekly Google Alerts for "Gene Wolfe" turned up an interesting one this week:

<http://rulesofthumb.org/perma.php?ruleid=1248>

"BUYING A HORSE

If its feet are no good, other virtues will be wasted.

Gene Wolfe, Barrington, Illinois"

Hm!

Another Google search reveals no hits; does anyone recognize what the source for this might be?
