Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Oh, that's good. I'll have to bookmark it.

now you done made me look it up.

"A clattering of choughs"

"Clattering" is much better than "unkindness", IMHO.
