Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

haven't read every msg.

has anyone noted the parallels between the asteriod in memorare, with gene at its centre, and the emerald city, with oz at its centre? the denizens of each prefer to see what isn't there. bee
