Here's a stretch...and it goes against my "3 quills in a pen case" theory and I may be reaching but...

At the very beginning of RttW the narrator says "...I will begin by saying that, and telling you who we are; "P13

"We are four..."? P 14

of course these 4 are the Narrator,Oreb, Jahlee and Hide.

But...

We then hear from 4 different "voices"

Horn... about 1st moving to Lizard etc
Silk..Maytera Rose's funeral
PostPit(Neighbor)Horn...dying on Green
SilkHorn...being back on Blue and in the Whorl post merger

"Now you know all four of us,and I must get some rest." P 20

Well....?

Well....?

Stu, can you give us the 4 different voices in a quote? I don't have it handy. I'm not quite getting it.
