Anybody from the Urth ML on FB?

The Tor folks posted two notices today about the "Solar Cycle" 12 book read.

And, if you want to see my library - reading room - computer room - office...I've posted shots in my "album" on FB.

Hope to see some of you there!

I am. Just search for my name. It's not terribly common.

Tor is there as "Tor Books" and "Tor Webmaster"...

I'm on Facebook too - Matthew Keeley. There's more than one person with my name, so I'll say that I'm listed as a student at Boston College and at Trinity College Dublin.
