My favorite part of yesterdays posts were the personal stories from Marc A and Jordan..

I had a really good year last year which translated into me having to write a HUGE check to the government and tomorrow an IRS agent is coming to my house at 10 AM to go through all of my records and receipts from 2006 on..

Anyone able to suggest a GW story that will cheer me up????

'Viewpoint' may not cheer you up, but it will get you thinking in the right direction.
