This weekend I am in the bay area, a city called Fairfield about thirty five miles away on interstate 80 from the book store mentioned. tried to stop in yesterday morning since I had business in San Jose but it was closed until noon.

If anyone from the list lives in the area, my wife`s circus is in fairfield now at the solano mall on travis blvd. I will only be here until Monday, but you can get in free by saying you were invited by Marc at the door. Maybe you`ll get to see my handstand act on the forklift. Two shows today at five and eight, three shows tomorrow at 2, 5, and 8, one monday at 8 pm. I long to talk to someone who reads, especially in English. Come on by! It is a good show, though it is still a bit of an alien lifestyle to me. 1350 travis blvd, fairfield, ca.

Maybe I can convince you Horn is in Babbie or that trees are eating people or something.
