Dan'l,

I have not clicked this link, which you sent to the Urth list and (apparently) several other contacts. Given the lack of subject and the mysterious URL, this looks rather spammy. Has your account been compromised? If this is indeed a legit link, I apologize for the suspicious comments above.

Uh-huh.

.

My apologies to all. My gmail account appears to have been hacked.

I was wondering that. I also got this on my previous Urth ML address (which is also active.).
