I wanted to thank everyone who posted on the Wolfe Birthday blog. We ended up with about 125 posts (with some late stragglers still trickling in) and many more comments from folks who wanted to send cards instead. Gene read all of them, and had funny comments and observations about the more interesting ones....:o)

Anyway, he was quite surprised and very, very happy.

Thank you

Hello Rebecca!

I certainly wish GW many more happy and healthy Birthdays!

I wrote and dedicated a song on my latest CD to Gene and his works...apparently he got the CD but didn't care for the music ...such is life.....but I'd be more than happy to send you a copy if you like..!

Cheers

Stuart
