I've come across a reference to a graphic-novel version of all or part of the Book\_of\_the\_New\_Sun, but without the details I'd need to get ordering information.

Anyone out there with a title or author, etc.

John,

"Gene Wolfe's THE SHADOW OF THE TORTURER" graphic novel in six issues by Innovation, 1991. Innovative Corp., Wheeling WV 26003, (304) 232-7701.

TTBOMK only the first three issues came out. Magazine format. Check at comicbook stores and =good luck=.

INNOVATION Comix started serializing "The Shadow of the Torturer" about six years ago. I got the first three. I don't think any more were ever done. This comic line also did some of Anne Rice's trash. I have no idea where you can obtain copies, except that I think I have five copies of the first two issues somewhere....

The serialization was faithful to the book, though I did not care for the artwork. Maybe someone else knows more....
