On a related note, at Capricon 32 in Wheeling, IL (just outside of Chicago), there's going to be a panel with Gene and Cory Doctorow (excellent!):

Ironically, Gene has not treated as a superstar at the Chicago cons...which makes the Chicago Literary Hall of Fame event so significant. So it is possible to actually have a normal conversation with him. (hint) Don't give him a book. He gets these all the time, and he says he doesn't get a chance to read for pure pleasure anymore (ala the book forger in "Peace").

Bread and salt, perhaps.
