Mantis a ecrit:

Anyway, point is: Severian is an energy vampire.

Whoa there, big fella. This is based on a whole series of speculations.

But still: it creates some interesting thoughts re: the claim that Severian will turn up in the "Book of the Short Sun" -- an energy vampire might be just the thing for dealing with those nasty inhumis (??=buried ones??), not so?

(Or whose side will he be on, anyway?

And is it possible -- or even probable, given Wolfean head games -- that we have a completely wrong idea about the inhumis...?)
