Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

<http://podcastle.org> is running "Golden City Far" and it should be up in about 5-6 hours.

(The advantage of being married to one of the co-editors is knowing the FUTURE)
