Who has finished The Land Across?

I am looking for an analysis and cannot seem to find on online.

I finished it a few days ago. A bit early for analysis maybe?

Anyways, is it alright to start talking about it on the list? I am dying to, but don't want to spoil anything for people who haven't gotten around to it yet.

Go ahead. I'll just ignore anything with "Land Across" in the subject.

Agreed: I won't be able to get to for some time, I can just store any appropriately tagged messages for later.
