Looks like in addition to losing Gabriel Garcia Marquez recently, we have lost sometimes Urth contributor and Nightlands editor Andy Robertson. I was sad to read about it - a little bit young to be gone.

Holy crap. I thought he wasn't doing well, but I had no idea. I was helping him update one of his Night Lands collections about a year ago, and hadn't heard much since.

His Urth name was pinlighter, for anyone who didn't know him.
