Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Hello Urthlings, there is a great deal at
<http://storybundle.com/fiction>

A ebook bundle selected by Jeff Vandermeer, contains stuff from his Cheeky Frawg publications, includes wonderful Jaganath by Karin Tidbeck, Vandermeer's Third Bear collection , two Michael Cisco books and others. And all this only for a couple of bucks!

I wanted to second this. I have the Vandermeer and one of the Cisco books already, but the rest is still a great deal.
