Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

being misquoted off the list.

My only worry was that I had inserted a couple of feeble jokes into my remarks. One participant at least, mistook one for a serious comment and corrected me. I hope that I can prove myself to be an idiot with my serious remarks and not with my weak humor.
