My posts in October haven't been showing up in the October 2014 Archive thread. Anyone know why?

I feel bad that you have received no response ... I have no idea, but sometimes the archives are delayed a bit. I don't know.

Off topic, your input on volksweapon from a few months ago .. It is very suspicious that the hero wants to leave the dead girl alone, and the alleged killer wants to stay with her body or bring it. I feel that as a nonrealistic meta mystery your solution would work ... But with any degree of realism, the proper authorities would have the "hero" if he were at all related to the dead girl or her husband. He wouldn't get away with it as his motive would be obvious to authorities. "Oh wait... You are her husband?"

However, the image of blinding the deer with a flashlight also seems as if it could describe the murder of the girl if the person who presents our solution is not trustworthy.

I don't know. Maybe it should be revisited.
