"OK, the word "foil" was wrong. But they all tend to the goddess/bitch/whore trichotomy into which female characters are too often written by men. (Really, from reading some of his fiction you'd get the impression that he'd heard of women but never actually _met_ one.)"

Correct me if I'm wrong, but doesn't Wolfe only have daughters? And other than Metera Rose, everything else he's written (and from interviews) leads me to believe he's feverishly devoted to Rosemary.

Lets not make this personal. Wolfe writes Greek mythology, not modern hyper politically correct lit.

He has two sons. I think he only has granddaughters, though.
