Alzabo Soup — 01 Oct 2017, 23:10

This is just a quick reminder that this Friday, 10/6 at midnight EST, Alzabo Soup will begin our chapter-by-chapter discussion of The Shadow of the Torturer. If you're interested, here's what you need to know:

--You can subscribe through Itunes, Google Play, or Stitcher by searching for "Alzabo Soup" on the podcasts storefront, or visit [Http://alzabosoup.libsyn.com](http://alzabosoup.libsyn.com) to listen directly.

--We plan to do 1-2 chapters per week (this first week will cover an introduction to our approach and Chapter 1).

--We're using the 1994 "Shadow & Claw/Sword & Citadel" printing.

--We do plan on going through all four books of BotNS and The Urth of the New Sun in this manner, potentially with short breaks between each book. The whole project will likely take a year or more to complete.

Thanks, and let us know if you listen!
