"Gene Wolfe's The Book of the New Sun: A Chapter Guide"

Coming up this Saturday 10/5 through Sunday 10/13:
Gene Wolfe's The Book of the New Sun: A Chapter Guide
by Michael "Mantis" Andre-Driussi.
Giveaway: 100 advance copies of the Kindle edition

It promises not to be spoilery during the reading and only address details as they occur, so I think it will work for 1st reads as well as rereads.

If you don't get one of the 100, no problem, you'll only have to wait a month for the general release.

My question about giving away a hundred involves the size of Wolfe's fan base who will spend on a book like this.

I know I have digital copies of your books, Mr. Marc, which I got for free, but that I'll buy physical copies of, when they are out.

Nah. If I had finished *Land Across* I would be pressuring them more. It is being edited but I haven't heard an ETA on release. I'm a little anxious myself.
