Senility marches on.

Earlier I wrote:

Why does VRT kill the abo catgirl? Well, for starters, he's extremely psychosexually-disturbed, having not only a mother who was a prostitute, but he also initially thought she abandoned him because she saw him sexually trysting with a girl. In other words Sigmund Freud could have made him his life's work, and Tony Hopkins would have been the ideal actor to portray him.

Of course I meant the late Tony \*Perkins\* of PSYCHO fame.

Sorry.

Brain fart.
