I see The Island of Dr. Death & Other Stories & Other Stories will be reissued this summer in trade paperback (\$11.95 at amazon). I certainly plan to get and read it. (It never "took" at all the first time around, and I can hardly remember it--in fact I don't think I read all the stories.) What about some of the rest of you? It might be fun for us to discuss. Pub date is supposed to be Aug. 1.
