alga,

Whoops! My asking =specifically= about your sense of abo tool use within the entire context of 5HC was received by you as me being "hopping with rage" about your dismissal of the "Jeannine as abo" theory <huh>?! (Non-sequential department: What's all this about me and Robert egging each other on--that conversation I had with him was some days or a week prior to his development of the "Jeannine as abo" theory, fwiw <nee>.) And warranting a riff on the crippled issue <urg>?

Uh, okay boss. Sorry for the trouble.

I'm going to be very quiet henceforth, and while I'd rather you =not= think that it is an icy rage, obviously my mentioning this has all sorts of unintended interpretations.
