mantis!!!

Chill, babe!

Whoops! My asking =specifically= about your sense of abo tool use within the entire context of 5HC was received by you as me being "hopping with rage" about your dismissal of the "Jeannine as abo" theory <huh>?!

My word, man, that was simply a lame excuse to make a bad joke about lameness! Has it come to this? Are you--our noble leader in so many ways--going to go all *sensitive* on us? Are we going to have to pepper our posts with I'll smiley-faces (:-) to indicate jokes? Alas, eheu, er-hem.

(Hey, all you Peters--I was joking (:-) --really!)

I'm going to be very quiet henceforth, and while I'd rather you =not= think that it is an icy rage, obviously my mentioning this has all sorts of unintended interpretations.

Don't you dare! You wouldn't be able to contain yourself anyway (:-p
