Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

What Is Fantasy All About? (Convention Center 337/338)
Fantasy writers discuss what makes fantasy fantasy.
And you thought that defining science fiction was hard...
