Dieter Britz (BRITZ at kemi.aau.dk) asked if there was anything to follow Gene Wolfe's book Soldier of the Mist. Yes! The hardcover version of Soldier of Arete came out early this year (or sometime close to that), and I just picked up the paperback last week. From your address, Dieter, it looks like you're not in the states so I have no idea about the availability where you are, but the book is available here.
