Here is a question, I am asking myself for a long time now:

Does Dead-Can-Dance's album "Within the realm of the dying sun" relates in any way to Wolfe's "Book of the new sun" series? Is the name of the album a tribute to Wolfe?

Experts of Wolfe and admirer's of Lisa Gerrard and Brendon Perry, should have an idea.

Thanx,
Mike Polischuk

No takers?

Maybe I should have posted it to another newsgroup?
