Hello all,

Drawing myself from the slough of despond I finally purchased 'In Green's Jungles' last week. Started it at the weekend, after a skim read of 'On Blue's Waters' turned into a full-blown reread, and I am in awe.

Return to the Whorl is now available to preorder for us UK residents from Amazon.co.uk and Bookshop.co.uk. Amazon UK have been sending out 3 pound sterling gift certificates for account holders. You all know what you should do with them.

that is all.

be seeing you

Jonathan
