<html><DIV>Can anyone here help me with these questions about Seawrack.

Did the Mother give Seawrack to Horn because she knew he was trying to find
Silk? Or was it just a case of Horn's boat passing by the at the right time?

Is Seawrack the only one of her kind on Blue? Krait calls her a siren and
seems to know a lot about her. He knows what effect her singing will have on
Horn. Are there other sirens or has he met Seawrack before using a different
appearance?
