At last, word from someone who's read RETURN TO THE WHORL (proximity to David Hartwell has its advantages, eh, Kevin...)

Two questions, Kevin:

- 1) How do you rate RTW, both in the overall context of Wolfe's oeuvre and in competition with OBW and IGJ?
- 2) Is Tor sending out review copies? I requested one five weeks ago, but no reply as yet...

Well, yeah. :-)

As to the first: I think it completes the trilogy very well. I really don't want to comment further, for a complex of reasons.

As to the second: I don't think they're sending out general review copies yet.
