Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Hello all,

I just wanted to invite you to contribute to the forthcoming revamp of Ultan's Library - the e-journal dedicated to Gene Wolfe which I edit. We desperately need some new articles, especially considerations of the Book of the Short Sun. By the end of Feb I will have posted Jeremy Crampton's latest piece, and Alex David Groce is writing something for me. What about the rest of you?

Offers gratefully received, you can get an idea of the style and quality we're looking for by examining the existing site.

Jonathan
