Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

I shall lay down the law:

Go ahead and discuss Return to the Whorl. I haven't read it yet, but it's only three down in the pile.

Don't put in spoiler space but please do put a warning in the subject of your message if there's anything that I wouldn't want to see yet.

Some reminders: please don't send HTML messages to the Urth and Whorl lists, and when you reply to a message, check that you didn't accidentally quote the entire digest in your reply.

And you there -- spit out that gum!
