"IIRC, at one point in TBOTLS Kypris (or somebody) offers to upload Silk into Mainframe, where he would become a god and be linked somehow to Pas (I forget the details). Evidently Silk either took her up on the offer, or was uploaded against his will. This happened after Horn left, which is why he has never heard of the Divine Silk."

But as Kypris's offer to upload Silk into Mainframe as a partner for Pas (EXODUS FROM THE LONG SUN, end of chap 15) is recorded by Horn as author of TBOTLS, he was certainly aware of the possibility that Silk had accepted it.
