Much obliged, mantis.

The only other one I know about is an article that appeared in a fantasy journal circa 91 about self-reference in one of the "other stories" from the The Island of Dr. Death and Other Stories and Other Stories.

PS Sorry for being so vague. I didn't actually read the article. This is because I lost my copy of TIODDAOSAOS long ago. It's a crime that it's still out of print.
